We are exercising our option of appealing to the FCC regarding the denial of our FUNDING COMMITMENT DECISION LETTER dated August 17, 2005, from the Universal Service Administrative Company (USAC) in the amount of \$188,288.10. Please see enclosures.

We appealed to the Schools and Libraries Division of USAC August 25, and have been notified that they have received our appeal and have begun an in-depth review. Our great concern is that we will not hear from USAC before our 60 day window closes to appeal to you. Hence, this letter.

THIS IS AN APPEAL. We are appealing your decision to deny \$188,288.10 of funding requested.

Our basis for appeal.

Evidence of authority to file Forms 471 on behalf of, or evidence of the membership of, a substantial number of the members included in this consortium is at Enclosure 1. Please see correspondence between James Bush, Advanced Education Services, and Steve Ernyey, SLD, USAC. The information required was faxed to Steve Ernyey March 29, 2005 (see our fax send confirmation report at enclosure). We had an April 1, 2005, which we more than met. We never received any indication from SLD, USAC, that our response was not correct. We say this because SLD, USAC is very good about notifying us regarding upcoming due dates, documentation needed, and additional information required. As a matter of fact, our submission of the consortium information to Mr. Ernyey was an example of the assistance and cooperation we have always experienced with SLD, USAC.

A copy of this appeal is being provided to the service provider affected by this SLD decision.

This signature on this appeal is an authorized signature.

NOTICE ON RULES AND FUNDS AVAILABILITY

Applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the Schools and Libraries Universal Service Support Mechanism. Applicants who have received funding commitments continue to be subject to audits and other reviews that the Universal Service Administrative Company (USAC) and/or the FCC may undertake periodically to assure that funds that have been committed are being used in accordance with all such requirements. The SLD may be required to reduce or cancel funding commitments that were not issued in accordance with such requirements, whether due to action or inaction, including but not limited to that by the SLD, the applicant, or the service provider. The SLD, and other appropriate authorities (including but not limited to USAC and the FCC), may pursue enforcement actions and other means of recourse to collect improperly disbursed funds. The timing of payment of invoices may also be affected by the availability of funds based on the amount of funds collected from contributing telecommunications companies.

A GUIDE TO THE FUNDING COMMITMENT REPORT

A report for each E-rate funding request from your application is attached to this letter. We are providing the following definitions for the items in that report.

FORM 471 APPLICATION NUMBER: The unique identifier assigned to a Form 471 application by the SLD.

FUNDING REQUEST NUMBER (FRN): A Funding Request Number is assigned by the SLD to each Block 5 of your Form 471. This number is used to report to applicants and service providers the status of individual funding requests submitted on a Form 471.

FUNDING STATUS: Each FRN will have one of the following definitions:

1. An FRN that is "Funded" is approved at the level that the SLD determined is appropriate for this FRN. The funding level will generally be the level requested unless the SLD determines during the application review process that some adjustment is appropriate.
2. An FRN that is "Not Funded" is one for which no funds were committed. The reason for the decision will be briefly explained in the "Funding Commitment Decision Explanation." An FRN may be "Not Funded" because the request does not comply with program rules, or because the total amount of funding available for this Funding Year was insufficient to fund all requests.
3. An FRN that is "As Yet Unfunded" reflects a temporary status that is assigned to an FRN when the SLD is uncertain at the time the letter is generated whether there will be sufficient funds to make commitments for requests for Internal Connections at a particular discount level. For example, if your application included requests for discounts on both Telecommunications Services and Internal Connections, you might receive a letter with funding commitments for your Telecommunications Services funding requests and a message that your Internal Connection requests are "As Yet Unfunded." You would receive one or more subsequent letters regarding the funding decision on your Internal Connections requests.

CATEGORY OF SERVICE: The type of service ordered from the service provider, as shown on your Form 471.

FORM 470 APPLICATION NUMBER: The Form 470 Application Number associated with this FRN from Block 5, Item 12 of the Form 471.

SPIN (Service Provider Identification Number): A unique number assigned by the Universal Service Administrative Company to service providers seeking payment from the Universal Service Fund for participating in the universal service support mechanisms. A SPIN is also used to verify delivery of services and to arrange for payment.

SERVICE PROVIDER NAME: The legal name of the service provider.

CONTRACT NUMBER: The number of the contract between the eligible party and the service provider. This will be present only if a contract number was provided on your Form 471.

BILLING ACCOUNT NUMBER: The account number that your service provider has established with you for billing purposes. This will be present only if a Billing Account Number was provided on your Form 471.

SERVICE START DATE: The Service Start Date for this FRN from Block 5, Item 19 of your Form 471.

CONTRACT EXPIRATION DATE: The Contract Expiration Date for this FRN from Block 5, Item 20b of your Form 471. This will be present only if a contract expiration date was provided on your Form 471.

SITE IDENTIFIER: The Entity Number listed in Form 471, Block 5, Item 22a. This will be present only for "site specific" FRNs.

NUMBER OF MONTHS RECURRING SERVICE PROVIDED IN FUNDING YEAR: The number of months of service that has been approved in the funding year. This will be present only for recurring services.

ANNUAL PRE-DISCOUNT AMOUNT FOR ELIGIBLE RECURRING CHARGES: Eligible monthly pre-discount amount approved for recurring charges multiplied by number of months

of recurring service approved for the funding year.

ANNUAL PRE-DISCOUNT AMOUNT FOR ELIGIBLE NON-RECURRING CHARGES: Annual eligible non-recurring charges approved for the funding year.

PRE-DISCOUNT AMOUNT: Amount in Form 471, Block 5, Item 23I, as determined through the application review process.

DISCOUNT PERCENTAGE APPROVED BY THE SLD: The discount rate that the SLD has approved for this service.

FUNDING COMMITMENT DECISION: This represents the total amount of funding that the SLD has reserved to reimburse your service provider for the approved discounts for this service for this funding year. It is important that you and your service provider both recognize that the SLD should be invoiced and the SLD may direct disbursement of discounts only for eligible, approved services actually rendered.

FUNDING COMMITMENT DECISION EXPLANATION: This entry provides an explanation of the amount in the "Funding Commitment Decision."

FCDL DATE: The date of this Funding Commitment Decision Letter (FCDL).

WAVE NUMBER: The wave number assigned to FCDLs issued on this date.

“Funding Commitment Decision Letter for Funding Year 2005”
Exact text or the decision we are appealing.

“Unauthorized Consortium Members. Consortium leader has failed to provide evidence of authority to file Forms 471 on behalf of, or evidence of the membership of, a substantial number of the members included in this consortium.”

Our basis for appeal:

Evidence of authority to file Forms 471 on behalf of, or evidence of the membership of, a substantial number of the members included in this consortium is at Enclosure 1. Please see correspondence between James Bush, Advanced Education Services, and Steve Ernyey, SLD, USAC. The information required was faxed to Steve Ernyey March 29, 2005 (see our fax send confirmation report at enclosure). We had an April 1, 2005, deadline which we more than met. We never received any indication from SLD, USAC, that our response was not correct. We say this because SLD, USAC is very good about notifying us regarding upcoming due dates, documentation needed, and additional information required. As a matter of fact, our submission of the consortium information to Mr. Ernyey was an example of the assistance and cooperation we have always experienced with SLD, USAC.
